Welcome

PRAKASH TRADING CO
ESTD-1949

Prakash Trading Co. has started working in the Electrical field since year 1949. We are the pioneers in Electrical business at Kutch Region. We have diversified into various fields including Mechanical EPC projects and O&M contracts by establishing the firm **Innovative Engineers** since 2001.

We have built a solid reputation providing excellent services to all our clients. Our focus is to provide an Electrical and Mechanical solutions that is right for the client as well as affordable. If you are responsible for managing large or small Industry, bank, Government Office, school, college, hospital, an office, restaurant, shop, computer/Panel/IT room, function room or you simply need a solution for your home; we can help you make an informed decision. We conduct a free site survey that clearly explains the solutions that are available to meet your requirements; keeping your best interests in mind.

We prepare and provide a 2D CAD detailed layouts. Upon request, our in house design team is capable of providing 3D layout to have an in-depth perspective and to increase a co-ordination with other utilities.

We have established Factory fabricated duct production unit at Bhuj-Kutch, which is capable of providing "SMACNA" standard quality ducts with an added benefit of in time project completion.

We have a diligent focus on service and are available on call 24 x 7 on following mobile numbers: 99979847088, 8160672592

We are authorized channel partners of following brands:

Blue Star- Chiller, VRF, Package, Duct and Cold storage Products

Daikin- Entire product range

Eureka Forbes- water treatment plants

Symphony- Industrial air washer system

Why we are, What we are ?

Quality not Quantity

In spite of being in so many diverse fields and being in capital intensive infrastructure development projects and being in high gestation period technological development field, company has no debt and had no dilution. This is the result of consistent perseverance of delivering the niche and not volumes.

Technology Adaption at the Core

Every company will be a technology company and IE embraced this philosophy decade ago and hence all processes are driven through technology – whether its project management, costs centres, time sheets of employees, CRMs or billing – most of the times through technology developed indigenously.

Safety First

We give immense importance to safety and company is also certified for OHSAS 18001:2007. It is this rigor that has avoided any major fatal mishap on our sites in spite of working in extremely challenging environment.

PLUMBING**

EMPOWERING CHANGE

An ISO 9001:2015 Certified
An OHSAS 18001:2007

www.innovativeengineers.co.in

Major MEP Services Include:

Mechanical Division

The Mechanical Division is involved in a very pro-active way to ensure that the project requirement is achieved. We carry out all types of diversified jobs including Central Air Conditioning, Plumbing, Drainage and Fire Protection with top quality, efficiency, productivity and to the satisfaction of our clients.

- Design and Build all works related to Mechanical Services
- Design and built Chilled water systems for air cooling and process applications
- Design and built Clean room as per ISO
- Design and built Cold room
- Design and built Ventilation systems includes Energy recovery units
- Water treatment plant
- Design and built Air washer system
- Design and built Kitchen Hood and Exhaust system , Dust and Mist Collector System
- Structural and sheet metal Fabrication
- Operation and Maintenance Services

Major MEP Services Include:

Electrical Division

The Electrical Division is ready to carry out all types of electrical systems from Power Distribution to Low Voltage System in accordance with the National and International standards to the top quality, efficiency, productivity and to the satisfaction of our clients.

- ☐ Design and Build all jobs related to Electrical Services
- ☐ Earthing work and lightning Protection work
- ☐ Street Lighting and high mast pole works.
- ☐ PLC panels ,VFD panels and UPS and Battery System.
- ☐ OFC Cat 5 and Communication cables.
- ☐ HT substations (Switchyards)
- ☐ HT/LT panels
- ☐ Renovation and Retrofits
- ☐ Transformer Supply and Erections
- ☐ HT/LT cabling work
- ☐ Over head HT Lines.
- ☐ Cable Trays and Cable Trucking system
- Yard lighting and Area Lighting Industrial, Commercial and Domestic Point Wiring .

- We affirm our commitment to conserve the Environment and provide a Safe and Healthy Workplace to all employees.

Objectives

- Incorporating EHS considerations in all business decisions.
- Comply with the legal requirements with respect to EHS

Safety first... Always.....
